# Mobile App Guidelines for Parent Users

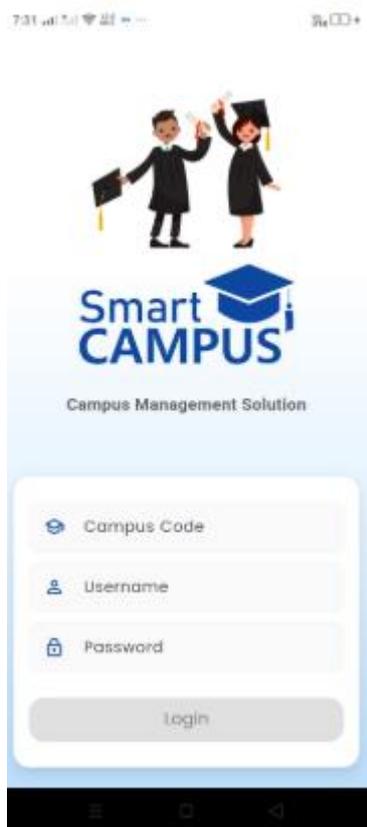

## 1. Download and Install the Application

- Download the school mobile application from the **Google Play Store / App Store**.
- Install it on your mobile device.

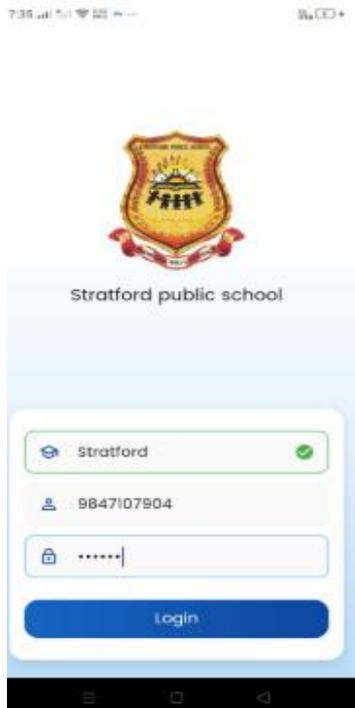

## 2. Login to the App

When you open the app, the **Login Page** will appear.

Please enter the following details and click on **Login** button

- **Campus Code:** stratford
- **Username:** user name created from school (Parent mobile number)
- **Password:** sps123

After entering the correct login credentials, you will be able to successfully log in to your **Parent User Account**.

### 3. Viewing Student Details

- After login, you can view the details of your child.
- If your child has **siblings**, tap on the **student profile image** and select the other student to view their details.

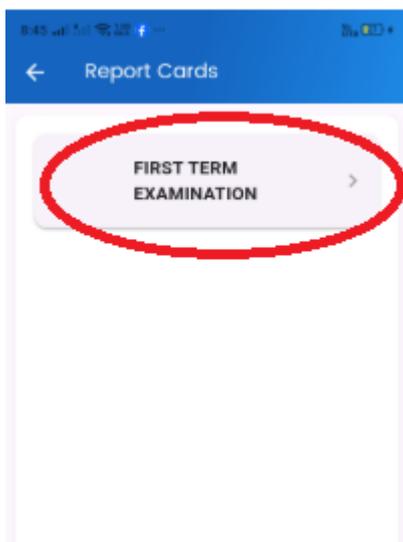

## 4. Viewing the Report Card

1. Click on the **last icon** named “**Report Card**”.

2. The list of exams will be displayed.
3. Select the exam (e.g., *First Term Examination*).

4. You can **download the report card** from there.
  5. You can also **share the report card** via WhatsApp, Telegram, Gmail, or any other platform.
